## ST. ANDREW'S CHURCH SABBATH SCHOOL

### FOR THE YEAR 1882.

---

In respect to our Sabbath School the past year has been one of quiet, prayerful work on the part of the officers and teachers.

We have had a delightful and profitable course of Bible studies from Mark's gospel upon the life of Christ, and appropriate religious exercises in connection therewith, which appear to interest the entire school, and with God's blessing must have advanced both teachers and scholars in scriptural knowledge as well as spiritual life.

Although we cannot report a very great increase in the membership statistics, the records show that the school has been steadily maintained with a slight gain upon last year. It is with regret that we have to report one senior class broken up and partially disbanded from lack of a suitable teacher, and we would take advantage of this opportunity to appeal to those members of the church who have qualification for teaching, and also to parents who appreciate the work of the S. S. teachers to co-operate more heartily with us during the coming year. There have been a great many changes in the school roll during the past year, especially amongst the teaching staff, as may be noted by a comparison of the list of teachers at 31st December, 1882, with that of 1881.
