Dominion Militia Bill.

ed during the holidays have been postponed to

the African explorer, are now dispelled Sir Frederick Murchison to day received a letter from the distinguished traveller, which came by way of Zauzibar. Dr. Livingstone writes that he is in good health, that his journey of exploration has been successful, and that he will soon return to England.

The Grand Jury have brought bills of indictment aga not all the prisoners (exceptO'-Neill) who were charged by the Coroner's Jury with complicity in the Clerkenwell outrage.

- Ottawa, April 10. Whiled, the man suspected of murderin Hon. Thus. D'Arey M'Gee, was examined yesterday ; testimony against him so stron that he was remanded to await further exami nation until 16th.

Montreal, 9th. Montreal, 9th. At-a measting of the city Council this p. m. it was unanimously resolved that the funeral expenses of Mr. M Gee be borne by the city. niso resolved that the Mayor be authorized to offer a reward of \$5000 for the arrest of the Chestandard. murderer. The w fe of Whalen was accessed last night

at her residence. Alex uder street. The forem of a large manufacturing os

tablishment here, disappeared suddenly last Saturday night He was a well known of divities, and is suspected of being Festian proclevities, and is sus implicated in the assassination. ferred to the defeat of two Militja Bills in the At a meeting of the St. Patrick's Society.

Mr. Devlin denourced assassination in strong terms Resolutions were presed expressing Canadian Parliament, and spoke approvingly of the maratime element of the Eastern Prosurrow and indignation at the crime, and heart-fe t sympathy with the widow. Other nationvinces. The Bill divides the Militia Force id societies passed similar resolutions. London, April 10.

The War Office is recipt of later despatch re from the British Expedition in Africa, oper-Scotia 1, with a Staff Commander at the head of each Division. The employments of the New Brunswick and Nova Scotia fishermen reached Lat. 21. "The Abyssinian King, Theodorus, was a

Mugitala realy for siege. His forces consisted about five thousand ef rective m n and 27 large guns. Gen. Napier sirendy completed plans for general assault on works. New York, April 11.

Scheral assault on works. New Yolk, April 11. A Montreal Special dated yesterday gays, that at St. Eustache, a man named Leban and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile, who were in the habit of robbing and hes yile were interval to the hest in the Dou-minion I". This led us to refer to some docu-minion the hest in the Law so "praised the New Brunswick Militia system The man with an axe and the wife with a razor the traveller, knocked down his jassilants, and the wife mistaking her hu-band for him cut his insailants, and the wife mistaking her hu-band for him cut his mag drawn up by Colonel ANDERSON, some time in January 1865, and afterwards refersited to a Special Commission of Colonels of London. 11th. Weather fine; Farmers are busily engage ef in sping planting. New York, April 11. Gold 1383.
Mit. Sont MHLLS, the popular Electronist of Militia and the time in January 1865, and afterwards refersited to a Special Commission of Colonels of County Battalions, the bon. Mr. Tilley and others. The law might have been made more effective, but we understood at the time that the strictest economy was enjoined. The efficient state of the Militia and the popular, if we may judge from the numerous popular if we may judge from the numerous are very popular. The efficient state of the Militia and the popular. If we may judge from the numerous the society of the

ANOTHER CHURCH DIFFICULTY. great economy practised, while Col. Anderson favorable notices of the Press. Particulars was Adjutant General was acknowledged, and will be given in due season. We bespeak for There is it scems, a clergyman of the nam of Voysey, in the diocese of York who has we noticed in the Royal Gazette some months and be a partition for the some time ago been ago, a letter in which he condoms the prosome time ago been agoinst him, setting poed New Brunswick law-the drill being is one of the best numbers yet issued. Its that in spite of bad roads the British forces are presented to convocatio forth that he denies all the fundamental do forth that he denies all the fundamental doc trines of Christianity not excepting that of the Incuranation. In discussing this petition, very them. The Staff proposed was outrageous—McGee, two by Jas. Hannay, Esq., one by Incaranation. In discussing this petition, very strong language was employed by some of the Right Reverend fathers of the Church. The Bishop of Ely characterized Mr. V.'s writings as "outrageous." The Bishop of Gloucester said they "were even monstrous." The Bishop of Salisbury declared that they are even so wicked that he could not possibly read ex-tracts from them in Convocation, though sim-ply for the purpose of establishing his charge chirely a man whose writings are spoken of in ply for the purpose of establishing his charge ted at Ottawa as they are in New Brunswick, price of 40 cents per annum, in advance. We such language ought to be tried, and if these and that he will be appointed Staff Comman-will be happy to send the names of a club to things are so, cashiered. Our readers will ac- der of this Provincial District, as there is no the youthful proprietor. things are so, cashiered. Our renders will ac-cordingly be prepared to hear that proceedings have been instituted against the offending brother. Not at all. Nothing is to be left to preach on to his some 280 He is to be left to preach on the corner for the c parishoners as he may think best, no man for-bidding him. He may hand at what he bidding him. He may haugh at what he re-gards as the ford conveipt of the Incarnation, INTERCOLONIAL SURVEY .- We notice in the Trinity, or the Resurrection, or what the Carleton Sentinel of the 11th inst., a laudaor the Trimty, or the Resurrection, or what ever he may choose, it does not matter. Sam net of Oxford says his books are very dull, heavy affairs, and consequently the test thing is to let him and them alone. Others say is is to let him and them alone Others are here to him, which must be grathying to all who does not come within the jurisdiction of Can-ter bury, but the true reason is that though he taught all that is alleged against him, nothing and the law guarantees him the posession of his cure. Perhaps Convocation is wise not to enville method with most provide the source of the whole survey, the average the stand were partially insured. A fire also occurred at Richmond Station which we learn destroyed three buildings. The writer says that "the distance surveyed 15 miles, comprises the most dif-fieult section of the whole survey, the average of the writer was unusually cold during the grade per mile is only 43 fest, &c." It ap-bids has made fair traveling in the counter meddle with matters which it cannot satisfic torily settle. It would have saved some trouble and some scandal had the Episcopal authorities fear sthat Mr. Hartley left his staff and came which has made fair travelling in the contry. It have travelling in the contry. How trally the poet wrote—"Winter lingers in the lap of Spring." Two years ago at this immed for urops; but the ground at present the land for urops; but the ground at present is as hard apperently, as it was in February.
