THE DAIRY.

FOR THE FARM, FIELD, GAR DAIRY.

FREDERICTON, N. B. SATURDAY, NOVEMBER 12, 1892.

Do you know how to feed a machine? A Old cow beef is costly.
Keep the feed troughs clean ply the same regularity to feeding stock. Eggs should be gathered daily A properly fed hog seldom roots A hen never lays while moulting, It is poor policy to repeat mistak Keep your seed corn in a dry place ngar beets are good for milch cows. Save your own seed, as far as possible. Quarrels are never ripe enough to pick A good range is a good thing for poultry What the people demand they can have. Every farmer should grow his own meat.

Feed muscle-making food for lean meat. Never give up trying what is reasonable. have been poor if the best maker in the world

produce milk and muscle and not produce

We are selling Boots and Shoes Cheaper than ever before offered in this city. You can judge for yourself by seeing our stock and

arly lambs.

Employ a large share of your surplus in imting painfully short. My hostess was getting dinner ready, and evidently heard my sweet and gentle melodies, for she stuck her head out of the door. Do you whistle by note, mister, she inquired, or just simultaneous like. give fowls in wint Stock deprived of salt will Mostly simultaneous like, I responded

when they can get at it. laughing. I never heerd them chunes afore, she eventives of disease. owledge wuz book chunes got out for extry.
Oh, no, I answered her, they are merely Every farmer should hav that little bits from the popular airs of the el day that everybody whistles. First choose the animal an s pedigree is right. 'S that so? she asked in surprise. hain't never heerd 'em up this here way.

ep. It is too heating. What's ther names? It is better to have a little feed Well, Comrades, Annie Rooney, Mag-gie Murphy's Home, Ta-ra Boom, McGinty Be sure that your cellar etc. Didn't you ever hear of McGinty? efore closing it for winter. She became thoughtful. Good planning on the farm is like good What's the name? she inquired. Seems kinder like as ef I knowed it.

McGinty, I repeated slowly; and her face brightened,

SHE RECALLED MCGINTY.
