## ALBIONS DROP GAME TO VERNON

BURRARD GETS HOME IN SMALL LIMIT

## Victoria Shows Portland Men How to Make Runs and Get Wickets.

(From Thursday's Daily). The beautiful uncertainty of cricket was once more examplified at Beacon Hill park yesterday when the Vernon eleven beat the Albions by a close margin of nine runs, although Vernon was beaten by Portland on Monday and Portland by the Albions on Tuesday. It was emphasized by the fact that the lottery of the game called the Albions to play with one man short in the second innings. Full credit for vesterday's victory goes to the winning team from the interior and especially to Williams, who in the second innings was unfortunately run out when his score stood at 74, made by fine cricket. Laurence in the same innings made 25 and Morrell 21. Toward the close of the match excitement ran high and became intense when man after man went to the wicket with but a few runs to get to win. A mighty cheer ed loose when Hubble finally bowled Gardiner for one. White, the last man, being absent through business, the innings closed and Vernon won a well earned victory. Of the bowlers, S. Hubble for Vernon earned credit with 7 for 54, while for the Albions, Trimen got 5 for 20 and Menzies, 11 for 36, including the hat trick. The best Albion score was 41, made by Briggs in the second innings.

Victoria vs. Portland.

Victoria scored an easy win against Portland, making 269 in the first innings, while in two trys Portland succeeded in getting exactly 90. Gooch, with 6 for 17, and York, with 3 for 10, were responsible for the collapse in the first innings, while Meredith obtained 9 for 32 and Barnacle 1 for 21 in the second. The three first named bowlers being especially so, his curly balls Boyston Briggs Briggs leg break. As he retired to the pavilion, Blakely exclaimed, "I thought it was a wide." The three Victorian batsmen who settled matters for the winners were Gillespie, Barnacle and Meredith. The partnership between Gillespie and Barnacle was responsible for 71. runs and that of Gillespie and Meredith for Victoria so far has not been beaten in which position the local men are on men tried the whole bowling strength Laurence, who secured 5 for 52. Greig and Bailey got two each and Fenwick and Warren bowled unsuccessfully having 82 runs hit off them. Greig cost the side 67 runs and Bailev's two of 23 apiece. The highest Portland made by Fenwick, the captain who in the second innings made 19 carefully. The only other double figure man on the side was Laurence, who was 11 not out in the first inning Garrison vs. Burrard.

Burrard had an easy day at the Gar rison disposing of the home men with eight wickets and 2 runs to spare. The winners, however, had to force the pace to get the runs in time before the drawing of stumps. The scores were for the Garrison first innings, 93 and 97, while the Burrard eleven made 74 in their first innings and 118 for two wickets in the second. The batsmen to win the game in the second innings were: Rhodes, 66; Clarence, 17, and Shotton 32 (not out), the balance of 7 being extras. Rhodes, in his score. obtained three sixes and a long line grounds at 4 o'clock yesterday afterof fours. Of the bowling Williamson 4 for 34, and none for 21, and Askey, 6 for 61, were the best, the latter bowler getting the only two wickets. For Burrard, Pettley got 4 for 27 (the first innings being 4 for 5), and Rhodes 7 for 56. Snee captured 4 for

The Attendances. At all the grounds there were good attendances yesterday. At the pital between thirty and forty ladies again at 3:30. visited the ground during the morning remark that the interest in the greatthree grounds provide afternoon tea and spread a plentiful supply of lunch at midday. Vernon won the toss and with ten men one to maiden and L. S. V. Gillespie, who yesterday hit at 4 for 16. up nearly a century and a half, was this morning the victim of Hubble, who made a magnificent catch off his own bowling and retired the clever batsman before he had scored. Not to be outdone by his club mate, Morrell did the same thing with Martin, who had made five, and with the help of Tye had carried the score to 13. Without any alteration from the hoodoo number Hubble clean bowled Tye, who had made seven. Barnacle then went in to stop the rout. He took all kinds of care that he would not succumb to carelessness, and played two balls from Morrell before he was given out, l.b.w., in trying to cut an off ball. The brothers Tye then got together, and at lunch had one single each. Morrell had 2 for 6 and Hubble 2 for 9. Gillespie's "accident" brings him down from top batting average into second place. Of the Vernon score the only man who could play Gooch and York was Clayton, who treated both bowlers alike until Gooch disturbed, his stumps, when his score stood at 29. Gooch secured 3 for 14 and York 5 for 33, while one man was run out and the

Vernon last man was absent. Burrard against Seattle at lunch had completed their first innings and hit up 115, of which Rhodes was responsible for 60. The others went down in quick order to the bowling of Gandy, figures were Smith 13 and Page 10, both powled by Gandy.

At the Garrison the local men at lunch had been retired by Vancouver for a respectable total of 88, while Vancouver had lost one wicket for 12. The highest Garrison scores were: Askey 20 and Robertson 23, batting, and Doyle, who hit his wicket, 11. When Vancouver went to bat Roberson caught Lambert off Isbister for a duck and Armitage and Peers played out time. Rigby obtained the best average for Vancouver, getting 6 for 40.
