Mr ONTARIO BOY BITTEN PARIS, Ont., June 26.—Fred Cimes left for New York with his ten-year old son Ira last evening to have him treated at the Pasteur Institute. Ira was bitten by a dog last week. The dog was thought to be mad, and the head was sent to the provincial board of health for examination. Dr. Amyott reports that there is little doubt the dog had rabies and advised that the child be sent away at once. The dog had bitten several other dogs and a horse, consequently the Mayor will issue a proclamation calling for all dogs to be muzzled or chained.
