The Provincial S. School association of
N. B., will hold its annual convention this
year at Woodstock, Oct. 11-13. The ses-
sions will be held in the Reform Baptist
Church. A most cordial invitation is ex-
tended to all pastors, superintendents,
teachers and S. School workers, to be
present at this convention. In connec-
tion with the convention there is to be
held this year, for the first time, a pastor's
conference on S. S. work. Some of the
leading pastors of the different churches
will give brief addresses followed by
general discussion. The two phases of
the work which will be discussed are:—
The pastors' duty to the S. School, and
how the pastor can promote the efficiency
of officers and teachers.

Mr. W. C. Pearce of Chicago will pre-
side at the discussion and render such
aid as is possible. This will give the pas-
tors of N. B. an opportunity for conference
and will prove, we hope a means of bless-
ing in arousing a greater interest in this
work among the leaders of our churches.
The conference opens on Tuesday at 11
a. m. and extends through the afternoon
session.

The regular convention opens Tues-
day evening, 7.30. Mr. W. C. Pearce, of
Chicago, one of the most popular and
powerful speakers on religious topics will
deliver several addresses on the line of
the teachers work. Mrs. Byner, lecturer
at the leading American summer school
on junior and primary work, will conduct

a primary conference while the Pastors' conference is in session and giving four addresses. Mr. E. O. Ercell of Chicago, regarded as the greatest leader of con-
gregational singing in this country, will have charge of the music—one half hour of each session being given to this im-
portant subject. This will be one of the most helpful and inspiring conventions
ever held in N. B., in connection with S. School work and we hope to see a great
rally of all interested in this work.

The usual reduced rates on all railroads
and boats, free entertainment to all dele-
gates.

Bring Bibles and note books.
Delegates will kindly send their names
to Mr. Andrew Miles, Woodstock, Ch. of
Entertainment Com.

The next annual meeting of the New
Brunswick Baptist Convention will be held
with the Lower Wickham church, MacDon-
ald's Point, Q. Co. beginning on Saturday
Sept. 24th, at 10 a. m. The Baptist Annuity
Association will meet the same afternoon.
Owing to the proposed union with the Free
Baptists some changes in present arrange-
ments will likely be found necessary. Dele-
gates coming from St. John and points east
will take "Crystal Stream" to MacDonald's
Point; those from Fredericton and river sec-
tions will come on Saturday by Star line
steamer to Hampstead thence by Crystal
Stream to place of mee ting.

A SENSE OF HUMOR LACKING

There cannot be a very pronounced sense
of humor in the Spanish town which organ-
ized a bull fight to raise funds for the Lon-
don Society for the Prevention of Cruelty to
Animals to carry on its work in foreign
countries.—Boston Transcript.

LITERARY NOTE.

"The Difficulties of a Scholarly Minis-
ter" is the attractive title of a strong
and breezy article by Dr. Willard Scott
in the September Homiletic Review. The
other leading articles are notable and of
striking interest. The Rev. W. F. Crafts,
Ph. D., writes in a very modern key of
"The Minister as a Prophet"; Camden
M. Coburn, D. D., has an article of un-
usual merit on "St. Paul as a Letter Writ-
er," and there is a discriminating estimate
of Wordsworth contributed anonymously.

A study of Newman Hall is contributed
by Dr. Arthur T. Pierson to the depart-
ment of Sermonic Criticism, and in the
same department a unique paper by
Chaplain Munro, of the New York Tombs
Prison, discusses experiences in preach-
ing to men behind the prison bars.

An article by James L. Hill, D. D., on
"Ministerial Recommendations" touches
a weak place in the armor of a good many
ministers, and will find responsive echoes
with pastors, who have suffered from the
practice here dealt with. The sermons
are by Rev. Hugh Black, M. A.; A. H.
Bradford, D. D.; J. C. Jackson D. D.; Ed-
ward Everett Hale, LL. D.; Archdeacon
Basil Wilberforce, and the Rev. John E.
White—a galaxy of homiletical stars.
The editorials deal with the Bishop Pot-
ter "Subway" saloon, the crisis in the
United Free Church of Scotland, and the
recent Russian assassinations and the
causes of industrial disturbances. There
is the customary quantity of outlines, il-
lustrations, and other material helpful
to the preacher.

nalls Company, 44-60 East 23rd Street

Alleging that certain nerves in the lips
have destroyed, John Mable, a cornetist
whose home is in Manhattan, has brought,
an action for \$15,000 damages against
Smelzer, a wealthy resident of Flushing,
L. I. Mable alleges that on a recent Sun-
day, while playing at Jamaica Bay, Smel-
zer struck the bell end of the cornet, cut-
ting and bruising the plaintiff's lips and
displacing two of his front teeth. The
plaintiff says that since then he has been
unable to play the cornet, his only means
of obtaining a livelihood.

Some idea of the magnitude of the work
of preparation necessary in order to put
the new rapid transit subway in operation
in New York can be gathered from the
fact that it will require fully two thousand
motormen, conductors, guards, towermen
and mechanics to make up the complement
of employees for the opening operations.
Each and every one of these men has to be
thoroughly drilled in his work, and to that
end all applicants, in addition to an ex-
amination on other subjects, have to submit
to a series of lessons on a school car.
This great work now rapidly approaching
the time when it will be opened to the
public, is one of the wonders of the
world.

A TEMPERANCE FRUIT COLONY.

LITTINA PARK is situated 2½ miles
from Orland, Glenn County, California, and
150 miles north of San Francisco, in a dis-
trict that is practically immune from frost
and exceptionally healthful. The soil is a
deep clay loam mixed with fine gravel. The
drainage, both on surface and subsoil, is per-
fect. There is abundant and unfailing sup-
ply of water. The orange, lemon, fig, almond,
apple, peach, pear, apricot, olive, grape
and all kinds of fruit flourish here in per-
fection. The rainfall is abundant, so that
no artificial irrigation is required except for
citrus trees.

A clause in every deed prohibits the manu-
facture and sale of intoxicating liquor on
the reservation for all time.

TERMS.—\$65 or \$75 per acre according to
location, cash or easy payments. Ten acres
