ST. VITUS DANCE CAN BE EASILY CURED A Tonic for the Blood and Nerves With Rest All That is Needed. Many a child has been called awkward to the nurse and in school for not keeping still or for dropping things, when the trouble was really St. Vitus dance. This trouble may appear at any age, but is most often met between the ages of six and fourteen. The most frequent cause of the disease is poor blood, aggravated by indoor confinement, or mental strain at school. Under these conditions the blood fails to carry nourishment to the nerves and the child begins to show listlessness and inattention. Then it becomes restless and twitching of the muscles and jerking of the limbs and body follow. A remedy that cures St. Vitus dance and cures it so thoroughly that no trace of the disease remains is Dr. Williams' Pink Pills which renew the blood, thus feeding and strengthening the starved nerves. This is the only way to cure the trouble, and parents should lose no time in giving this treatment if their child seems nervous or irritable. Mrs. A. M. Squires, Cannington, Ont., says: "My only daughter, now fourteen years of age was troubled for several years with St. Vitus dance. She was so bad that at times she would lose control of her limbs and her face and eyes would be convulsed. We had medical advice and medicine, but it did not help her. In fact we thought the trouble growing worse, and finally we had to take her from school. About a year ago we began giving her Dr. Williams' Pink Pills and by the time she had taken five boxes she was completely cured, and is now a fine, healthy girl. I firmly believe we owe this to Dr. Williams' Pink Pills and are very grateful for her restoration to perfect health."

Another Soldier Missing. C. C. MacIntyre of the Seacoast Canning Co., Eastport, has received word from the Canadian war department that his only son, Gordon C., of the 14th Royal Montreal Regiment, had been missing since Sept. 26, having been on the firing line in France for some time past. Mr. MacIntyre has sent a cable to relatives in England in hopes of locating his son, and it may be possible that he has been taken prisoner by the Germans. Gordon enlisted a year ago last spring when several other Maine young men joined the Canadian army.
