A profitable and secure Investment.

THE Vorthern Pacific Railroad Company. ffers to the public an investment security which will pay a divid nd of more than 91/2 per cent. on advantages in distance, grades, climate and trithe outset, with a large increase for the future.

The Value of Land Grants. The average price at which the twenty-six leading Land-grant Railroads have thus far sold their lands, is \$7.04 per acre-the highest average of any grant being

Railroad earnings, and the market value of

Construction. The road is now completed cross Minnesota, (255 miles); work is progresing westward through Dakota, and 65 miles are under construction on the Pacific coast. Including purchased lines, the Northern Pacific Company now has under its management 575 miles of finished track. Contracts are let for the construction of 635 miles more, to be finished The 7 30 Gold Bonds. The first mortgage

bonds of this company, which, after full investi-gation, we strongly recommend as a reliable and unusually profitable investment, and which now stand among the solid and favorite securities of the country, have the following leading features; 1. They are exempt from United States tax; the Principal and Interest are payable in gold—

cent, premium (1.10), in payment or exchange for the Company's Land at market prices—a

provision which practically gives the holder the power of foreclosure at will. 4. The proceeds of all sales of Land are re 4. The proceeds of all sales of Land are required to be devoted by the Trustees of the bondhold rs, (Messrs. Jay Cooke and J.
