

To heartily co-operate with Temperance Societies in combatting the evils of intemperance, and to unite with any other Society or Association which is endeavoring justly, appropriately, and guided by Christian principles, to procure more advanced and stringent legislation on this subject.

To strive by every means in our power to secure the thorough enforcement of the temperance laws we already possess.

For the accomplishment of these objects we shall faithfully and conscientiously employ all the means God has placed within our reach, and we shall continually seek His direction and blessing upon our work.
