have these advantages.

It stands to reason that a firm that owns its own plant-

ations and grows, blends, packs and sells its own Tea can

guarantee its quality better than a firm that does not

For this reason, therefore, if you wish to get perfect quality Tea, buy Lipton's, because it is the only guaranteed quality Tea obtainable in Canada.

The very fact that "Lipton's" is synonymous with "Tea"

is because we have made Lipton's worthy of this associa-tion of ideas.
