Did You Ever Make Money Easy?

MR. EDITOR.—I have read how Mr. C. E. B. made so much money in the Dish Washer business, and think I have beat him. I am very young yet and have had little experience in selling goods, but have made over eight hundred dollars in ten weeks selling Dish Washers. It is simply wonderful how easy it is to sell them. All you have to do is to show the ladies how they work, and they cannot help but buy one. For the benefit of others I will state that I got my start from the Mound City Dish Washer Co., St. Louis, Mo. Write to them and they will send you full particulars.

I think I can clear over \$3,000 the coming year, and I am not going to let the opportunity pass. Try it and publish your success for the benefit of others.
