ALMOST A CRIPPLE FOR LIFE.

The Sad Condition of a Little Girl whose Parents Feared she was Beyond Hope

Mr. Horatio N. Robinson, of Mount Pleasant, P.E.I. is one of the most prosperous and progressive farmers on the western part of the island. To a representative of the Summerside Journal Mr. Robinson related how his little daughter Bertha Mabel had been brought back to health and strength.—“Some time ago,” said Mr. Robinson, “Mabel completely lost the use of her left leg. She could not use it in any manner whatever, and had to be lifted in and out of bed. The doctor seemed at a loss to understand the cause, and although very attentive seemed not to be able to do anything for her. We were very much alarmed, and as she was not getting better we determined to try Dr. Williams Pink Pills of which we had heard so much. Before a half dozen boxes were used she could run about and play without the use of her crutches. She is now lively, eats well and sleeps well and is in the best of spirits, and we are satisfied is far on the way to complete recovery. I am convinced that if we had not used Pink Pills she would have been a cripple for life, if indeed she had survived the illness. Mr. Robinson also told the reporter that his brother, Peter W. Robinson, was last spring greatly debilitated and suffered much from rheumatism. He began taking Pink Pills and is now as well as ever. Dr. Williams Pink Pills are the greatest blood builder and nerve restorer known to medical science, and cure when all other remedies fail. If not kept by your dealer they will be sent post paid on receipt of 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y. Get the genuine; imitations and substitutes are worthless—perhaps dangerous.

- A FOUNTAIN PEN - FOR \$1.00

A Fountain Pen is a good thing, provided you get the right kind at a moderate price. Fountain pens have hitherto been too high in price to come into general use. But the problem has been solved, and a good pen is now offered FOR ONE DOLLAR, free by post. This is not a cheap imitation, but a genuine gutta percha holder, with non-corrodible iridium pointed nib, from a first-class English firm. The nibs are furnished in fine, medium and broad, and as there is a twin feed the flow of ink is steady and reliable. Gold nibs, and holders with gold bands at higher prices, but the DOLLAR PEN is just as well adapted for everyday use.

The Neptune (for that is its name) is a favorite in England for short hand writers and others, but this is the first time, we believe, it has been offered for sale in Canada. The holder contains ink enough for two days steady writing.

Can be had by addressing J. J. Bell, GRIP Office, 81 Adelaide St., West, Toronto.
