

during the pleasure of the Governor, and he and his successors in office, shall have the custody of all the Registers and Books, Titles and other documents heretofore kept in the said County, and shall grant copies, extracts and certificates therefrom in like manner, having the same authority and authenticity, and on the same 5 terms, as the Registrar for the County could have done without this Act.

Interpretation IV. And be it enacted, That the County of Beauharnois shall for the purposes of this Act comprise and consist of all that tract of country which formed the same County immediately before the 10 commencement of the present Session.
