

Do you think there is an alcohol problem on campus?
If so, what do you think should be done about it?

Lisa Robichaud B.A. 2
Yes, there's a problem with alcohol but its not the use it's the abuse. People should be educated to know their own limits.

Erik Poulson M.E. 4
Yes, sometimes alcohol is treated too lightly and its effects not understood. People should learn more about alcohol.

Lisa Gagnon B.A. 1
Debbie Hackett B.A. 1
Yes, there is a problem but what can 1st year Arts Students do about it?

Gavin Scott B.A. 4
No, I'd also like to voice my dismay with the restraint of trade directed toward Labatts and Moosehead Breweries and the use of their vans on campus.

The Brunswickan would like to thank

**Moosehead
Breweries**

for the use of their van
for delivery of the Brunswickan

Moosehead Breweries Ltd. would like to wish the Red Devils lots of luck in their games against U de M this weekend.

The first **10** people to bring this ad in to our offices will receive a free ticket to Saturday's game.
