

# Pools popular spot in summer

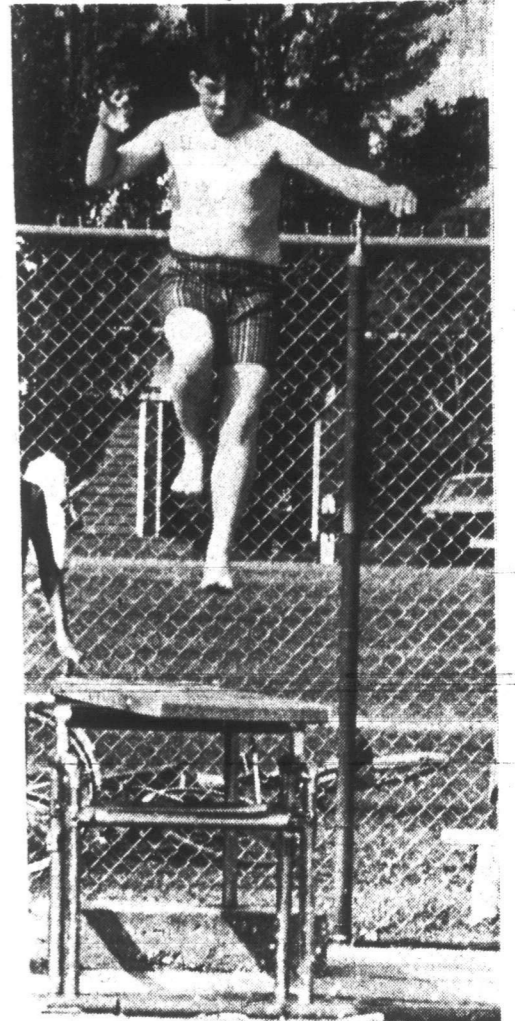

Pool rules and regulations

Swimming pools in the Port Credit-Mississauga area have been a hive of activity, especially since the end of school, as young people head for the cool water to beat the heat.

The pictures on this page were taken recently at Westacres pool in the Applewood Acres district of Mississauga. It was a typical fun day as the kids enjoyed themselves in and out of the pool.

As evidenced by the pictures, it also proved to be quite a girl-watching assignment for Times photographer Stan Harwood.
