Rhine and Belgium. This trip would
 be a most comprehensive one and might
 not to be very expensive, you can
 speak German, & French between
 us and a phrase book we can
 manage the Italian. Say to
 take us a little over two weeks
 from Rome or Zurich to Naples
 we could get back in less than
 four weeks. You would be
 able to sail the third or fourth
 week in July and we would have
 had the satisfaction of seeing the
 best part of Europe in pleasant
 comradeship. Write to me soon
 and let me know, I shall make
 every possible effort to make my
 plans conform to yours and will be
 delighted if we can arrange it. Love
 my dear King yours most sincerely
