Dear Mr. Gormee,-

In reply to your letter of the 6th instant I beg to say that the Department is looking into the matter of Mr. W.S. Piper's complaint that he furnished goods to the value of about \$300.00 on orders given him by Mr. Neil McDougall for Indians, and that he has not yet received payment. When all the facts of the case have been ascertained you will be written to in regard thereto.

Yours truly,

Secretary.
