Ottawa, May 6th., 1918.

Sir,-

I beg to say that the Treaty 9 party contemplates leaving Hudson for the North on the 14th of June, and I have therefore to request that you will kindly forward the camping outfit which is in your possession to Hudson in order that it may arrive there not later than the 12th June. Be good enough to prepay the express charges on the outfit and send your account for the same to the Department for payment.
