Ottawa, February 23, 1911.

Rev. Sir,

Referring to official letter of January 12th, last, in regard to the management of the Alert Bay Industrial school I beg to say that it is sincerely hoped that there will be in future no cause whatever for any criticism of your management of this school. If found necessary for you to leave the institution for any length of time permission should first be obtained from the Department, if ~~that will serve~~, and in any event provision must be made to have the institution left under competent management during your absence.

Your obedient servant,

 Asst. Deputy and Secretary.
