Ottawa, February 10th., 1916.

Sir,-

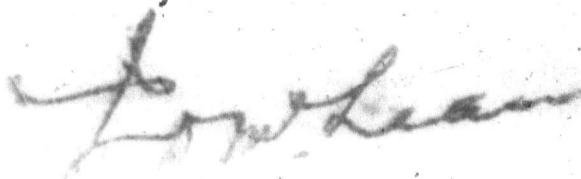

Mr Inspector Conroy has handed in the Department requisitions for drugs for the Indians at the following points, namely:-

1) Holy Angels' Boarding School, Fort Chipewyan, and for Cree and Chipewyan Indians, 2) Fond du Lac Mission.

The Department proposes to order these drugs from Lyman's Limited, of Montreal, and I would request you to give the address in each case with shipping directions.

No requisitions have been received for Fort Rae and Fort Norman, but it is understood that these missions did not ask for any medicines for this year and that they are well supplied.

Your obedient servant,

Asst. Deputy and Secretary.

Rev. J. C. Lefebvre O. M. I.,

Edmonton, Alta.
