Ottawa, June 23rd., 1917.

Sir,-

Referring to resolution recently passed by the Sarnia Council, requesting that a loan of \$100.00 be granted to James White to enable him to buy a horse; I have to request that you will inform the Department whether White received any orders for building material on the loan of \$75.00 approved of on December 12th, 1914. You should submit to the Department a report giving full particulars as to the need of a horse by White and what prospects there are that he will make repayment if the loan is approved of.
