To the Presiding Officers
of the Laurier Centenary,
St. Kim Que.

Nov 18th 1941

Dear Sir

I hope the Committee in charge will permit
me to suggest that the Immortal words
spoken by Sir Wilfred to the Young Liberals
at London Ontario

"Faith is better than doubt
Love is better than hate"

are preserved either in Bronze or Granite
for the benefit of this and future generations
as a result of this Anniversary.

Sincerely Yours

A. F. Hardy
