

APPENDIX - F

Witness, No. B75539 Sgt. G.H. Clark, is duly sworn in.

Question by the
President to
the Witness.

- Q1. Sgt. Clark, the accused Pte. Strachan, has stated that you would give a character reference. Will you say in your own words, what you know of this man?
- A1. I knew him before the war. He was a friend of mine. Since he came to my platoon, which has not been so very long, he has done everything I told him to do without hesitation, and as far as I am concerned, is just as good a soldier as the best of them.
