

relied on Ojibwa informants and my own slight knowledge of Ojibwa. Here and there some phrases which were left untranslated by Dr. Jones have been translated by me on the basis of Dr. Jones's note-books. Where I am wholly responsible for the translation, a footnote will show it.

The contents of Part I contain little, if any, new material for Ojibwa mythology. The works of Schoolcraft, Kohl, Radin, De Jong, cover more or less the same ground. Skinner's "Notes on the Eastern Cree and Northern Saulteaux" should also be mentioned in this connection.

Part II of the "Ojibwa Texts" is in press, and it is hoped that it may be issued soon. Another volume, dealing with Ojibwa ethnology, is being prepared by me for publication by the Bureau of American Ethnology.

The following papers have been issued, based on Dr. Jones's manuscript material:—

Notes on Fox Indians (*Journal of American Folk-Lore*, Vol. XXIV, pp. 209-237).

Ojibwa Tales from the North Shore of Lake Superior (*Ibid.*, Vol. XXIX, pp. 368-391).

Kickapoo Tales (*Publications of the American Ethnological Society*, Vol. IX, 143 pp.).

TRUMAN MICHELSON.
