

KIDNEY COMPLAINT.**SYMPTOMS :**

**Fever, Dropsy,
Weakness,
Brick Dust Deposit,
Paleness, Headache,
Backache,
High Pulse,
Pain in Loins.**

DISEASES of the kidneys are numerous from the fact that these organs act as filters to the blood, and form one of the great channels for the removal of impurities from the system, which, if allowed to remain, cause the various kidney affections, rheumatism, gravel, uræmia, or blood poisoning, etc. Dropsy and various urinary complaints arise from deficient or scanty secretion of urine. Bright's disease is known by the presence of albumen. Symptoms vary; in inflammation the urine is scanty or high colored. In other cases, as diabetes, the urine is copious—as much as twelve or even twenty pints per day being excreted; some have a slimy, ropy condition, others a reddish deposit like brick dust. In nearly all cases there is pain and heat in the back, feverish symptoms with general weakness and languor.

CURE.—Correct the bile and blood, and stimulate the bowels and skin to action by the use of Burdock Blood Bitters, thus relieving the kidneys from overwork, allowing them to rest and regain a healthy condition while the impurities which clog the system are removed, and all poisonous waste matter quickly passes off. In addition to its thorough action on the stomach, liver and bowels, B. B. B. possesses perfect diuretic powers to act on the urinary secretion, and is thus specially valuable in curing dropsy, etc. B. B. B. has completely cured severe cases which had resisted other treatment for years. See testimonials in next column.

A POSITIVE CURE.

DEAR SIRs.—For the last five years I have been troubled with kidney complaint and liver trouble. I tried various remedies but found no relief until I was induced to use Burdock Blood Bitters. After using one bottle I was surprised at the prompt relief it gave me, and after using the second bottle I was completely cured. I recommend it as a positive cure.

MISS LILY McDONALD,

Glen Norman, Ont.

CAROLINE DUFRESNE.

A Terrible Malady.

GENTLEMEN.—I was afflicted with that terrible malady, dropsy, arising from kidney disease, and was about to undergo an operation when I was recommended to try Burdock Blood Bitters. I have used six bottles and can say that I am now perfectly cured, and feel neither pain nor distress. I strongly recommend B. B. B. to all sufferers from this cruel malady.

B. B. B. Cures Kidney Complaint.

DEAR SIRs.—After using three bottles of B. B. B. I am entirely cured of kidney complaint, from which I suffered for a long time, and I would advise all sufferers to try this medicine.

W. J. HORTON,
Toronto, Ont.

A Certain Cure.

DEAR SIRs.—I was for a long time troubled with kidney complaint, dyspepsia and biliousness. I tried all kinds of remedies I could hear of. Some gave relief for a while, but as soon as I stopped taking them I was as bad as ever. At last I tried Burdock Blood Bitters, and after giving it a fair and honest trial I am now entirely cured, and enjoy good health.

WM. PALMER,
Lorneville, Ont.

Wonderful Success.

DEAR SIRs.—I can highly praise B. B. B., because it had a fair trial in my case with wonderful success. My symptoms were dropsy, backache and sleeplessness, and all these disappeared after using two bottles of B. B. B. I cannot praise its healing powers too highly.

GEORGINA HOLMES,
Wood Point, Sackville, N. B.
