

The 1914 YEAR BOOK Now Ready

The **PRESBYTERIAN YEAR BOOK** is now in its **fifth year**. The previous volumes have met with a cordial reception; and it is anticipated that the volume for 1914 will have a still wider circulation.

The **YEAR BOOK** is a compact, well printed little book of 96 pages and cover.

Its aim is to present the whole work of the Presbyterian Church in Canada in brief form, so that every member and adherent of the Church may know at first hand what the Church has done, and is planning to do.

For this purpose, a concise account is given of the proceedings of the great Pre-Assembly Congress and of the General Assembly, and of the work of the Assembly's Boards and Committees, with a message from the Moderator, and a number of special articles on prominent questions and problems. An effort is thus made to bring the whole Church into living contact with the great enterprises which the Church has undertaken. **A Church succeeds in its work, only in the measure in which all its members and adherents are in active sympathy with that work.**

Very many congregations have found it a paying policy to order a sufficient number of the Year Book to provide a copy for each family. The plan for special printing mentioned above makes this easy; and the Year Book thus goes out as a special book for the particular congregation. It forms an admirable Christmas or New Year's gift from the Session or Board of Managers.

PRICE, 5c. PER COPY; \$4.00 PER 100 FOR 100 OR MORE COPIES. FOR SPECIAL PRINTING, AN ADDITIONAL NET COST OF \$1.50 FOR 100 TO 500 COPIES; \$2.50 ABOVE 500 COPIES.
