"The Finish that Endures"

Economical and Handy  
on the  
FARM

**Protect Your Implements**  
Rust, decay and deterioration send farm implements to the junk heap unnecessarily. A coat of Floglaze each year keeps them efficient and in working order. Farm implements cost money nowadays. Floglaze saves money by keeping them in working order, and does away with the necessity of buying new implements.

**Renews Farm Implements, Buggies and Automobiles**  
Buggies, wagons, implements, automobiles, and tractors can be kept in good appearance when re-finished with Floglaze. Easy to apply. One or two coats will do the work. Dries over night, giving a hard, glossy, coach-like finish that wears with unusual endurance.

**Floglaze for the Dairy**  
Floglaze is the surest and best way of keeping the dairy neat, clean and sanitary. Floglaze is waterproof. Use it on the floors, walls and dairy utensils. There are a thousand and one places and occasions where Floglaze can be used in the up-keep of the farm.

## Burnbrae Shorthorns

Eighty-three years without change we have been breeding Scotch Shorthorns. The foundations of many of the best herds in America were laid from our farms.

I am in a position to furnish you now with the BEST in FORM and in BREEDING that can be found any place. Twenty-five young bulls, from small calves to fifteen months old. Sixty-three cows and heifers, every one of them bred right, not a plain looking one in the lot. Every animal that I have sold in two years has been satisfactory; the most of them sold by letter. I can satisfy you with the best in what you want at a price that will give you a chance, and I will pay the freight to your station. A Grand Champion and the son of a Grand Champion at head of the herd.
