THE 1908 CAMPAIGN

Already The Great-West Life has made an admirable start in the 1908 Canvass. The year promises to be well in line with the fifteen preceding years—each away ahead of the last!

To capable solicitors the Great-West offers unique opportunities. Half the battle in the Life Insurance business lies in working for a progressive Company—in handling popular plans—and in being able to count on continual support from headquarters. These advantages the Great-West Agent has in abundant measure.

Openings occur at the present time at:—
Brockville, Picton, Parry Sound, Chatham, Windsor and other points.
