Mr. Alexander Robinson, of Exeter,
in writing about one of the most popu-
lar articles, and one that has done more
good to the afflicted than any other
medicine has during the short time it
has been in existence, says: "I have
used four bottles of Northrop & Lyman's
Vegetable Discovery and Dyspeptic
Cure, and have been cured of Dyspepsia
that troubled me for over ten years.
Part of that time I had it very bad, and
I was at considerable expense trying to
get relief; but this excellent medicine
was the first and only relief I received."

CONSUMPTION

And all like diseases of the Head Throat and
Chest, including the Eye, Ear and Heart,
successfully treated at the

Ontario Pulmonary Institute,

No. 135 Church Street, opposite the Metropolitan
Church, Toronto, Ont. A. HILTON WILLIAMS,
M.D., M.C.P.S.O., Proprietor.

The only Institute of the kind in the Domin-
ion of Canada.

All diseases of the respiratory organs treated
by the most improved Medicated Inhalations,
combined with the proper constitutional reme-
dies.

Nearly 40,000 cases successfully treated during
the past sixteen years for some form of head,
throat or lung troubles.

CONSUMPTION.

There is a point which we would advert, an-
that is the unwillingness of those suffering from
diseases of the chest to acknowledge themselves
in any danger until their disease has reached an
advanced stage. This arises, no doubt, in a great
degree from the presumed hopelessness of such
cases. We would warn all who have a frequent
desire to "clear the throat," and who become
fatigued and "out of breath" on every slight oc-
casion, that they are on the high road to all those
changes and symptoms which constitute pul-
monary consumption—that the disease begins in
a majority of cases as "cold," ending in "sore
throat," that gradually it extends down the
windpipe, rendering the voice slightly hoarse
and in distinct first observed on reading aloud
and that finally involves the bronchial tubes and
the air-cells. The seat of the primary disease is
in the mucous membrane of the throat, windpipe
and bronchial tubes. The expectoration comes
from this membrane, and the tubercular matter
is deposited on its surface. If, therefore, they
would avoid the dangers which attend consump-
tion in its advanced stage, they will not disregard
those signs of impending evil, but by prompt
and judicious means seek to restore the offending
organ to its former tone and health.

By the system of Medicated Inhalation thou-
sands of cases are cured after all hope of a cure
is past. And thousands are to-day living wit-
nesses of this very fact.

Consultation free and prices of the Institute
are within the reach of all.

If possible call personally for consultation and
examination, but if impossible to do so write for a
"List of Questions" and "Medical Treatise."

**WILL YOU
EXCHANGE**

a case of
Dyspepsia or
Biliousness
for 75 cents?
It is awfully
unwise to
agonize un-
der the many
ailments
arising from
Dyspepsia,
Indigestion,
Disordered
Stomach and
Liver, when
this offer is
made to you
in your own
home in all
sincerity,
with an absolute certainty of
curing you.

ZOPESA (from Brazil) cures
Dyspepsia and Biliousness. A
single dose relieves; a sample
bottle convinces; a 75 cent
bottle cures.

It acts directly upon the
Stomach, Liver, and Kidneys.
Cleansing, Correcting, Reg-
ulating, Zopesa gives energy
and vim to the Brain, Nerve,
and Muscle, simply by work-
ing wonders upon the Dige-
stion, and giving activity to
the Liver.

Get this out, take it to any
dealer in medicines, and get
at least one 75 cent bottle of
Zopesa, and tell your neighbor
how it acts. It is warranted
to cure Dyspepsia and Bil-
iousness.
