Labatt's India Pale Ale

Is an excellent nutrient tonic. Physicians desiring to prescribe will
hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients,
that it stimulated the appetite, and thereby increased nutrition. The
taste likewise was always highly spoken of. In nervous women, we
found that a glass at bedtime acted as a very effective and harmless
hypnotic."—*Superintendent of large United States hospital.*

Order it from your Merchant and see that you get it
