## GLACE BAY TO LEND AID TO BEREAVED

Arrangements Made at Public Meeting to Take Collection for Widows and Orphans of Lost Sealers.

(Glace Bay Gazette.)

The meeting called by Mayor Harrington, Thursday evening, to consider ways and means of contributing to the relief fund in aid of the widows and orphans of the men who met death in the recent Newfoundland sealing disasters, was attended by a large number of citizens from different parts of the town.

On account of the stores being open, many business men who would otherwise have attended, were unable to do so.

The meeting was called to order by the Mayor, who explained its object. On motion of Dr. Sullivan his Worship was appointed permanent chairman of the executive, and on motion of A. B. McGillivray, P. J. O'Leary moved that J. P. Kent be appointed secretary. Both motions were seconded and carried.

Take Subs. at Mines.

Mayor Harrington suggested that a committee consult General Manager McDougall of the Dominion Coal Co. and find out if subscriptions could be taken up in the pits, machine shop and other departments, and also to try and arrange to have all stoppages subscribed by the workmen made through the pay office. The mayor's scheme, which was the one unanimously agreed upon, was that men be appointed to go through all the pits with books or cards and ask all the workmen if they would contribute to the relief fund. When a man volunteered a subscription, the amount would be taken down, also his name, check number and where he was employed. The books or cards could be passed into the Coal Co.'s office, the deductions made and the total amount paid over to the treasurer, J. R. Dinn. The mayor said he understood that as a general rule the company were not very much in favor of the idea of taking up collections in the mines, but thought that in such a needful case as they they would relax their customary rule regarding collections.

J. R. Dinn, in agreeing with the scheme outlined by the mayor thought, from experience he had had, that it would be more satisfactory to have the under officials in the different mines go around with the subscription lists. After considerable discussion about who would be the best men to take up subscriptions, it was moved by A. B. McGillivray, seconded by W. R. Tobin that the executive, consisting of Mayor Harrington and Messrs. O'Leary, Dinn and Kent discuss the matter with General Manager McDougall and let the latter suggest who would take up subscriptions.

W. R. Tobin suggested that the treasurer acknowledge collections through one of the local banks or through the Gazette.

Stuart McCawley spoke about the collection take up some years ago for the victims of the Fennie disaster. He was secretary of the committee that looked after the collections in town at that time and gave some interesting information about how thirty-five hundred dollars was raised in two weeks.

Collecting Generally.

Some discussion took place about collecting from the business men and those not employed by the Coal Co. Dr. Sullivan thought it would be advisable to have subscription lists put in the bookstores or drug stores.

Arthur McDonald moved and A. B. McGillivray seconded that Stuart McCawley, Dr. Sullivan and Ed. Patton be appointed a managing committee, with power to add to their number. This was passed.

Arthur McDonald informed the meeting that if stoppages were to be made through the pay office, all subscriptions would have to be in the office on or before April 21, and that the amounts would be deducted from the pay of May 1st.

It was agreed that contributions could be made to collectors or Mayor Harrington, or the other members of the executive, J. J. O'Leary, J. P. Kent or J. R. Dinn.

Get Ladies Interested.

N. R. McArthur thought it would be well to get the ladies of the town interested in the movement, and suggested that a ladies' auxiliary be formed. This matter was left in the hands of the managing committee.

It was also agreed that all clergymen in town be asked to announce on Sunday the names of those authorized to take up collections and receive subscriptions.

Some discussion took place about N. 6 and Birch Grove and all felt assured that these places would come forward with a good sum.

Mayor Harrington and W. R. Tobin spoke briefly about the necessity and worthiness of the cause, and Mr. O'Leary moved a vote of thanks to Mayor Harrington and the other citizens who showed such willingness to aid his fellow country people. This was passed.

Collectors Selected.

The managing committee, Messrs. McCawley, Dr. Sullivan and Patton selected the following gentlemen to assist them in taking up collections all over the town, apart from the collections to be taken up in the mines. These gentlemen, together with Mayor Harrington, P. J. O'Leary, J. P. Kent and J. R. Dinn (and the mine collectors) are the ONLY persons authorized to receive any money for the Newfoundland relief fund.

Managing committee: Stuart McCawley, Dr. Sullivan and Ed. Patton.

Ward I.—Couns. Moffatt and Campbell, James Nolan and Dan Cameron.

Ward II.—Couns. McDonald and McLean, Archie Siderski and Dan Sullivan.

Ward III.—Couns. McDonald and Morrison, Dan McNeil and Bruce Routledge.

Ward IV.—Couns. McNeil and Wilton, John Close and Thomas Scott.

Ward V.—Couns. O'Neil and McLean, Dr. Sullivan and McRetford.

Ward VI.—Couns. R. McIntyre, and P. McIntyre, Wm. McKinlay and Moses Saccaru.

All the above gentlemen are requested to meet in the council chamber of the town hall at 7.30 p.m. on Monday, April 13, for the purpose of organizing. The clergymen, rabbis and Salvation Army officers of the town are also asked to attend the meeting.

ADVERTISE IN THE DAILY MAIL.
