**The Prescription  
Expert Doesn't  
Guess  
He Knows**

When knowledge is su-  
preme nothing is left to  
the imagination. The  
careful, clever, well train-  
ed druggist does not  
guess, he knows. We  
pride ourselves on our  
ability to correctly com-  
pound prescriptions. We  
know drugs, we know  
their manipulation, we  
know their completion.  
All work, all service is  
performed right.

**"The Rexall  
Druggist"**

Piece on earth, and good will towards  
men, Thats the way the good old  
book, hes it, but I dont see much of  
it floaten round Kings County. Least-  
ways round this part uv it. Es I ken  
see, everybody is out tryen to skin the  
other feller, and keep ther boys away  
from the germans, so they wont get  
hurt, but es fur es good will goes,  
theras plenty uv it es fur es talk  
goes, but I aint found no body, that  
was willin to take er chance, and try  
to make sum other poor devil or she  
devil know that it was Christmas.

We did hev just one little bit uv  
christmas, over here to Harberville,  
and that was when our school marm  
Miss Hall, got a tree, and with the  
help uv the kiddies trimmed it up, and  
hed sum little presents fur each of the  
kiddies, and just to show how ketchin  
this christmas feelin is, I am derned  
if them little kids didnt go to work  
and buy a silver covered Butter dish,  
es a Christmas present to ther beloved  
teacher. It goes to show that the kids  
hev still got sum uv the Christmas  
spirit in em—but they will grow outen  
it, I was wonderin if our teacher was  
thinkin of leaven us, and goin to keep-  
in house fur some happy individual.  
I would sures hate to see her go.

I suppose, ther our old friends Fred  
Fisher, is real happy. Now that he hes  
finally got all of the rest uv us where  
we will hev a bit uv a time gettin a  
drink, and I suppose he would give his  
cattle a extra feed the mornin after.  
But how about that old hymn of Harry  
Lauders? "Thers nothin in the bottle  
fur the mornin."

Learnout Wood, son of Edson P.  
Wood is home after passin the Halifax  
blow-up. He has his face cut up some—  
and hes lost all his clothes.

Well, its right and proper to shut  
it off sum while we air fighten the  
germans, but I hev knowna cases wher  
an old skin flint, hes taken a drink,  
and then gone out and dun sum real  
chaitable act, which a nery would dun,  
if it wasent fur ther drink uv that  
wicked booze, but the same the feller  
what has to hev it, or thinks hes  
kin make his own, if he hes brains  
enough, and sum of em probably will.

Jest the same the nuth thing looks  
kinder funny to an old fossil es I am,  
becus, while we air shittin down er  
the old booze, aint to hev cheap beer  
I read in the papers ther good old  
Learns made a new order, allowin  
the brewers to make more beer all  
over england, and in those places wher  
hes Munition factories, they air even  
allowin to make more than in other  
places, becus as they say, they get  
more work done. If that so, then we  
shuld hev more uv it here, caus we  
sure need more work done down in  
old scotis, fur lots uv our farmers hev  
still got a lot uv ther crops froze up  
in the ground, and hev even got grain  
snowed under in their fields.

No wonder the old feller on the bill  
hes a devil uv a time tryin to get feed  
fur his hens. It aint only becus  
it is so hard to get, but becus ther air  
people and we hev at least one uv em  
right here, ther, while ther doin  
well accounten this war, but aint dun  
a dern thing to hev win it, they air  
always redy to stick it inter ther neber.

Why, the old feller telled me that he  
went to one of them patrols, what hes  
sed a young feller what intened to  
fite fur his contry was a fool, and  
wanted to buy a couple uv bushels  
uv oats from him, and the feller sed  
he didnt want to sell any uv his oats,  
but wuld to oblige him let him hev a  
couple bushels fur Three dollars. I  
ther got was sur join sum, as ther is  
piles of good oats at Berwick, and  
they air only a dollar a bushel, and  
them Berwick fellers aint no grate  
church members neber. I hev herd  
so much talk about this war, that  
that if the Military officials herd it  
wuld take quite sum uv our smart  
beas away from here and put with  
the rest uv the germans over to An-  
herst or whuffer it is they keep em.

Private Fred Cahill, who enlisted a  
few weeks ago, in the Home Defence,  
just in time to get his first tussle—  
and a good one—in the Halifax ex-  
plosion—spen the year end with his  
father and mother Mrs. James Cahill.

Sum uv the leders of our Harb-  
erville society, made up ther minds to  
hev a socerble, to raise money fur the  
poor sufferers down to Halifax, and  
so they put up er notice in Parkers  
shop, saturday nite, lestwise ther was  
no one knew about it till Monday, and  
so they pulled it off,—if thes the rite  
word—on New years nite, and they  
raised \$36.00.

Its lucky fur Halifax, that the uni-  
ered states and england, France South  
Africa, South america, and Somerset-  
Kings Co. Nova Scotia, got in with shor-  
help, sum uv em befur the dust, and  
smoke from the explosion hed settled,  
becus if they hed waited till we got  
redy to send sum help they wuld be  
past needen it.

I aint goin to write mor this time  
Howard, cus I read in your paper ther  
yon was short uv help, so I gues this  
will be all you will want to print this  
time. Heres a real happy new year to  
all uv your reders.
