Death of George Arthur Perry

On Sunday afternoon, January 17, George Arthur Perry passed away at the home of his brother-in-law, Alexander Wilson of Glassville. The deceased had been in apparently good health when he left home for Foreston on the 8th. On Saturday night he had a seizure and was conveyed home next day.

Dr. Cummins was called in and found that abscess on brain was the cause of his trouble. Mrs. Perry nursed her husband with unremitting care through the week and at times he seemed as though he might rally. But it was not to be and he passed away surrounded by his sorrowing friends. On Monday a short service was conducted at the house and also at the graveside by Rev. James Colhoun. Mr. Perry leaves behind, his widow, one son and two brothers, also his aged father and other relatives to mourn his loss.

Mrs. Perry and Mr. Wilson have had recent sorrow also in the loss of their only surviving sister, Elizabeth. Mrs. John Blackley, who died a few weeks ago at her home, Kingston, Ontario.

ALMOST EVERY ONE NEED A TONIC

Almost everyone—man, woman and child—needs a tonic at sometime. It is often said that a man is lazy because he takes little or no interest in his work; but the truth is he is not well. He needs a tonic. The same is true of a woman who does not hustle over her home work, but only feels fit to be in bed. She is not merely tired, but ill. A dull pain in the head or back, poor appetite, loss of strength with low spirits and loss of interest in life show that you need a tonic to brace up the nerves and give you a new lease of life. The proof is that when the right tonic is taken all the trouble quickly disappears. The one tonic—the only tonic—for weak and ailing men, women and children is Dr. Williams' Pink Pills, which speedily bring back abundant health, strength and energy. They have done this in thousands and thousands of cases as is proved by the following. Mr. Ed. A. Owen, Burdett, Alta., says:—"About two years ago my health was in a wretched condition. My whole system seemed to be run down and the doctor seemed puzzled at my condition. I had no appetite, exertion would leave me breathless, and I was troubled much with dizziness. All the medicine I took did me no good and I was steadily growing weaker. My mother urged me to try Dr. Williams' Pink Pills, and before I had taken them very long I began to feel like a new man and continuing their use I was restored to complete health. I now recommend them to all run down in health as they are the best medicine I know of."

Sold by all medicine dealers, or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.
