VOL. I, NO. 57.

Take the best part of a head of cab bage; sliced as fine as possible; whites of New Brunswick, N. J., Sept. 8.—Bank two eggs, well beaten; one cupful of Examiner Shelly has discovered a deficit vinegar; one cupful of rich, sweet cream; of over a million in surplus cash and se-curities. Ira Voorhees' estate is practi-taste. Stir all together, pour over, the cally ruined. Cashier Hill who commit cabbage and beat well. For cold-slaw, ed suicide was custodian of the estate, take the remainder of the cabbage and and made away with securities valued at chop fine. Add the yolks of two eggs, \$19,000. Over thirty thousand worth of two tablespoonfuls of sugar, and as much securities belonging to the G. B. Adrian mustard as you can lift on the point of a estate are missing. Runyon had \$60,000 knife. Beat all together. Have a cupful in government bonds. Hill had negoti- of vinegar on the stove, and when boiling ated for the sale of these, and consum- stir in the eggs and sugar. Pour over the

J. F. Scott, a successful diaryman of Connecticut, narrates two experiments He was a willing tool in the hands of the which ought to be suggested to other farmers. He says: "A few years ago I had an old farrow cow which was poor and nearly dry on the first of December, and "Good-bye, papa," said Julia, the eldfeed her for the butcher?' We had a good crop of corn and oats, and no milk for our table, consequently we decided to feed and milk her. She had good hay,

Soft Soap. directors, Johnson Letson, was reported begins to drip; after which let the ashes directors, Johnson Letson, was reported dead. An investigation revealed the fact that he had become exhausted on account of the strain on his nerves. He was a heavy stockholder, and had deposited trust funds. Charley Davis, clerk commence running off lye. If the lye is of the bank, who had been reported too strong, I weaken; if too weak, I boil "My whole life was bound up in Hill," it. The proper strength can be told by "My whole life was bound up in Hill," putting a fresh egg into it. It should throw the big end of the egg up above he went off, I thought I might as well the surface to show about the size of a "Did you take strychine? The idea, the egg sinks. With lye of proper strength, take a pound of clear grease, or "What do you know about this trouble?"

"The question startled him and he boiling. "After the grease is "eaten up," picked up and carried home by the plume off a feather, put in more grease. police. The scene at the bank beggars If a white scum rises on the top, skim it description. Blood had flowed from a off, or put in more lye. This scum is grease, and should never be left until it is cold. Boil until it looks soapy as it "My God," exclaimed director Stod- runs off the stirrer. If not boiled to dard. "The whole city will go under. thick, all sediment will settle while cool-The city debt is now nearly \$2,000,000, ing. I sometimes try it by taking some and the bank holds its paper.
