Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism that acid condition of the blood which affects the muscles also.

Sufferers dread to move, especially after sitting or lying long, and their condition is commonly werse in wet weather.

"I suffered dreadfully from rheumatism but have been completely cured by Hood's Sarsaparilla, for which I am deeply grate-ful." Miss Frances Smith, Prescott, Ont. "I had an attack of the grip which left me weak and helpless and suffering from rheumatism. I began taking Hood's Sarsaparilla and this medicine has entirely cured me. I have no hesitation in saying it saved my life." M. J. McDONALD, Trenton, Ont.

parts of a great organic whole the centre of which is the person and mission of Ohrist. The same Spirit exercised His mysterious bidden influence on the writings of both Testaments, and made of the works of those who lived before Our Lord an active and steady preparation for the New Testament dispensation which He was to introduce, and of the Forks of those who wrote after Him a real continuation and striking fulfilment of the old Covenant. The Bible, as the inspired record of revelation, contains the word of

God; that is, it contains those revealed truths which the Holy Ghost wishes to be transmitted in writing. However, all revealed truths are not 31 Fri 7 39 5 25 6 13 9 44 8 57 contained in the Bible (see Tradition); neither is every truth in the Bible revealed, if by revelation is meant the manifestation of hidden truths which could not otherwise be known. Much of the Scripture came to its writers through the channels of ordinary knowledge, but its sacred character and Divine authority are not limited to those parts which contain revelation strictly so termed. The Bible contains not only the word of God; it is the word of Holy Ghost, or, as it is commonly can Council (Sess. III. c. ii) that quence of this Divine authorship.
