From Friday's Bulletin.
The man White from Horse Hills who fell over the embankment on alty for violation, refers back to clause Jasper avenue east and later was 87, which stipulates that the medical taken to the General Hospital is re-covering from the effects of his ad-with a certificate but makes no men-

dentures.

Mr. John A. Nelson, Ceresco Necontrol of a school or college. braska, who has spent a few days in the city, left on his return home yesterday. Mr. Nelson, who invested considerable money in Fraser avenue property, is highly pleased with Ed-monton and intends to come to this city shortly to reside.

On Monday the St. Jean Baptiste Society will go to Morinville to atattend the celebration marking St. Jean Baptiste Day. It is expected fully 200 will be present from Ednonton. The C. N. R. will run a special train. The program of the celeoration includes a religious procession in the morning, sports in the afternoon and a concert in the even-

NOT FOR DOMINION TO PROSECUTE.

The Calgary Herald and the Chi nook newspapers have been whetting worth and charging the Dominion government with neglect in not en-forcing the law against the lumber He personally did not know that there alleged to exist in this prov-With regard to this question had told them that along the rive the Bulletin interviewed Mr. S. B. Were small patches of poplar which Woods, deputy attorney-general for would make good lumber. If permis-

Questioned regarding the lumber combine, Mr. Woods said that some misconception existed as to the atti-ude and duty of the Dominion govude and duty of the Dominion government it would the thumb had to be amputated by ernment in such matters. The House be of great benefit to the city, as to Drs. Braithwaite and Robertson at of Commons had, at the instance of the lumbermen themselves. one of its members, appointed a committee to investigate the charge that combine existed. That committee had taken a lot of evidence and had reported that in its opinion an unlawful combination did exist. At this now it would be of good value. point, said Mr. Woods, the relation of ter ceased. The evidence had been put to work, and perha printed and an unrevised copy of it loss would be made up. had recently been received by him from Ottawa; but Ottawa could do

ssed the opinion that the attitude of Hon. A. B. Aylesworth to the question had been the only one open for him to take. The administration of criminal law was in the hands of the province, and it was through the criminal code that any unlawful combination must be attacked. Mr. Aylesworth had said that the matter was now entirely in the hands of the provincial authorities and in this he was

Asked as to what the provincial government intended doing about it, Mr. Woods said that he was now busy reading the evidence taken by the whether an indictment should be brought and, if so, in what form and against whom it should be laid. The vidence was very heavy and would advise the government at the earliest possible date as to what course should, in his opinion, be pursued independent of the finding of the parliamentary committee.

SCHOOL BOARD WILL NOT COMPLY.

The public school board and the medical health department of the city have crossed swords over the vaccination of the pupils of the public schools. On the 10th of June Dr. Ternan, the city health officer, wrote the secretary of the public school board asking for a conference with board asking for a conference with the board to arrange the matter of vaccinating the school children. Dr. Ternan wrote again on the 15th as he streams in order to get logs to keep matter urgent. The their mills running this year. reply of the board was received on

Yesterday Dr. Ternan visited the separate school and emptied it. His men for the special permit. A comproposal was that the pupils should mittee composed of James McGeorge, sent home to give them a chance J. I. Blowery, and W. H. Clarke were equired by the Public Health act. the council. to return next day with certificates as He also visited McKay avenue school

where the same request was made. Superintendent McCaig explained CITY COUNCIL MEETING. The City Council is in the mood to that as it was within ten days of the close of the term and that since the promotion examinations were about to close of the term and that since the begin such action would completely demoralize the classes for the remainder of the present term and the organization for the opening after the summer holidays, and he refused to city has assumed expenditures just comply with the medical health of: ficer's instructions. Consequently the board are now standing pat and are putting the onus of enforcing the law upon the health officer and the provincial board of health.

The board holds that there is no Bellamy street from Syndicate to

ground for fear or alarm and that to ask the pupils to produce vaccination

"The city has all the work it ask the pupils to produce vaccination certificates on condition of attendance would be tautamount to closing the work at the representation of the medical will be a notable one in the history of the medical three can attend to." declared Alderman will be a notable one in the history the nine year old son, developed dipheratory of the medical transfer of the medica ools and the request of the medical this ground. health officer was unreasonable and "We's gone ahead of time in our beyond the requirements of the law.

In case the chairman of the board expenditures and undertakings," was or the superintendent are prosecuted for the action of the board they will pay the fine, appeal the case, which will take some weeks to carry out, and by that time the schools will be closed for the holidays. The board are determined at any cost to keep the schools open until the end of the
