Ladies and Gentlemen!

PHILLIPS was RIGHT

when he said, "With eyes and books the knowledge of the world is at your command."

If your sight is failing, consult us at once.

Properly fitted glasses overcome that trouble quickly—and at small cost.

Can you afford to miss the good books, magazines, etc., on account of not having a pair of glasses?

It is false economy to deprive yourself of that pleasure when it is so easily procured.

Consult us to-day about your eyes.

We manufacture every kind of an eyeglass made.
