Here is a New Game for the Children, AMUSING AND INSTRUCTING.

The Fox Educational Board for good
boys and girls. Educate your child-
ren while they play.

The Sentence and Wordbuilder con-
sists of 48 letters and pictures from
which the groups of words and sen-
tences may be built, separate, and re-
built, while the child plays until his
interest in spelling and in writing, as
well as in the meaning of words, is
forever rightly fixed.

Introduce the Letters and easy
Words slowly. As soon as the child
gets acquainted with a few letters and
words, and the process of Word Build-
ing, he will be able to build his own
thoughts into words and sentences.

The board is in the form of a circle,
is strongly made, of a bright color and
is nicely decorated. A most attractive
looking game and one that will stand
a lot of hard wear.

The price is \$1.75 each, and there
are only ten in stock.
