**New Relief For Constipation,
 "LES FRUITS"**

Physicians agree that with the modern habits of living, constipation is likely to be always with us. They also agree that the constant use of any drug for the relief of constipation is exceedingly unwise—unwise for two reasons. First, a drug constantly used loses its effect and requires a constantly increased dose. Second, because the constant use of any drug is bad anyway.

So the cry is constantly going up from the constipated, "What can we do?" It will be interesting to a great many to know that an answer has been found in the re-discovery of a method which was used with great success by our Forefathers, and in Arabia far back in the twelfth century. The food is called "Les Fruits" because it is composed entirely of figs, dates, prunes, raisins and the leaves of each with the substitution of the Alexandria leaf for the raisin leaf. The taste is pleasant, if not to say delicious, and the effect is exceedingly satisfactory. Try it and be convinced.

A NEW "CHAMPION" OIL ENGINE

of any Horse Power.

You are under no obligation to buy, but come in and let us demonstrate this fact to you, and you may do it yourself.

Do you own an engine, the complete ignition of which can be put UNDER WATER? Of course you don't. Better buy a "CHAMPION"—SAVE TROUBLE.

"CHAMPION" ENGINES are sold on their merits. They are not the lowest in price, and they don't take second place when power or speed are demanded. If you want an engine, and you see the "CHAMPION", you will buy a "CHAMPION". That is why more "CHAMPION" Engines than any other have been sold since January of 1919.
