Bedrooms & Beds

There's nothing more important to
the bedroom than the Bed itself, is
there? From the point of usefulness
or ornament it ranks first. Does your
Bed suit your taste? Does it harmonize
with your room? Does it give you
the sleep-comfort you need? No?
Well, then it's time to discard it and get
another, quick.

We are showing All-Brass, Brass and
Enamel, and All-Enamel Beds in all
sizes and very fine designs. Each and
all of which Beds can be fitted with
Springs and Wool or Felt Mattresses
if desired.

Prices quoted on request.

The Stock Market!

Within the last fortnight the "bears" made the most of the
Polish-Russian situation by hammering security values in many
instances to the lowest prices for over a year. This war scare
however, seems to be over-estimated and it is quite evident that
the general market has discounted the worst that could happen,
as the London Stock Exchange has not manifested any appre-
ciable anxiety over the situation.

While prices are low the time is ripe for investors to pick up
bargains or to average down on stocks already purchased.

We are fully equipped to handle your orders either outright
or on margin, and will be pleased to submit a list of good pur-
chases upon request.
