donald leaves to-day for the west. It is aid the object of his western tour is to of Free Masons at London, but probably he will give due attention to the arrange-ment of the Lieutenan-Governorship, so as to make matters once more pleasant between his henchman, John Sandfield McDonald, and the unfortunate Howland, who, we fear, will after all be vicinized and utterly less the prospective and

The Handel Festival in London. The triennial Handel Festival occurwho are most anxious to red in London on the 15th, 17th, and 19th ontentment of a people June in the Crystal Palace. It is estimated that the number of people present tians are, and they in- at the different performances was 88,500. that, if the grounds There were 500 instrumentalists, and should prove to be in 3000 singers. The railroads to the and in part removable, Crystal Palace ran special trains every may take a different ten minutes on the festival days and all abject. The causes of the trains were filled. Special trains are reducable to two : were also run from all parts of England, were also run from all parts of England, and thousands of people availed thems solves of the opportunity to visit the meteropolis. A correspondence speaking of the festival says:--If you can picture in your mind the airy space of the Palace, with the vast audience in summer costume crowding every inch of room, and the other, will admit that even as each players and singers say exclude the Handal Festival was well worth attending. Indeed, anything more beautiful than the masses of ladies are even their bright dresses and gay bonnets. I have seldom witnessed. But when their bright dresses and say bonnets in their bright dresses and gay bonnets. I have seldom witnessed. But when their bright dresses and say bonnets in the occasions on the books the audience like whirlwinds. This for the cocasions on the books the audience like whirlwinds. This for the cocasions on the socie the state of the second the ender was best displayed shock the audience of Mr. Costa, whe led throughout the festival, the winds of the debates on a popeal was made to wared by saying that is not been considered rallel cases. Nothing one canada, New Brunna so to been considered rallel cases. Nothing on a grand park in the choruses in insult. From first to last there is not on canada, New Brunna Scotia were also votter. Socia were also votter and so thrilling in the almost divine hymes of raises, there, according to the popular the consultance of and the angles are applause seem an insult, From first to last there is not a word of fault to find with orchestra or anise. The case and make applause seem an insult, From first to last there is not a word of fault to find with orchestra or anise. K. From first to last there is not a word of fault to find with orchestra and ingers. Indeed it is impossible to image and the of July President Johnson nfederation was accom-and thousands of people availed them-selves of the opportunity to visit the
