British Grain Trade

London, Sept. 15.—The Mark Lane Express, in its weekly review of the British grain trade, says: "Glorious weather prevails. Farmers have secured their wheat and much oats. Barley is in excellent condition. All cereals are frequently rather over the average in yield per acre. The quality and condition vary much although probably average. Old English wheat during the week was scarce. New ranged from 32s to 38s, averaging in the first half of the week 3is 6d and in the 33s 7d. Sales of English against during the week were 15. Sept. 15. Mr. J. R. Allen, upholsterer, Torono't sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles and Kidney Complaint. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

To avoid catching cold, many plans have been suggested. Probably if one never went anywhere or did anything out of the usual routine of life, they would be free from many of the allments that flesh is heir to, but this is not a satisfactory solution of the question. People must have recreation and enjoyment, and frequently catch cold in pursuit of them. Wilson's Wild Cherry will cure a cough or cold in the shortest possible time, and by its tonic effects, strengthen and invigorate the system at the same time.
