Every trainman will be so tested, but it being most important that an engineer shall not be color blind, they ar being tested first. By the system of operating trains on the M. C. R.. tranmen are only required to be able ts distinguish between red, green and whise, but as they have now to run on the N. Y. C. and G. T. R. where lights of all colors are used, it is necessary that they should be tested as to color blindness.

Pure Baking Pewder
is as necessary in making good light biscuits and pastry as good flour. The market is full of cheap, trashy baking powders,
made from alum and soda. Users of the
article should only buy brands that are
well known for purity and fine quality. The
old established Pure Gold brand, put up in
small packages and cans, is always reliable.

The great lung healer is found in the excellent medicine sold as Fickle's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membrane of the throat and air passages and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption. Juxtapositions are sometimes peculiar.

At Death's Door.—Dyspepsia Conquered.—A Great Medical Triumph. Gentlemen,—My medical adviser and others told me I could not possibly live, when I commenced the use of Northrop & Lyman's Vecetable Discovery for Dyspepsia. My case was one of the worst of its kind. For three years I could not eat meat and my weight decreased from 219 to 119 pounds. All the food I took for thirteen months previous to taking the Vegetable Discovery consisted of milk. I am now entirely cured and have regained my usual weight, can eat anything with a keen relish and feel like a new man. I have sold over 30 dozen Vegetable Discovery since it cured me, as I am well-known, and people in this section know how low I was, and thought I could not possibly be cured. They are eager to try this grand mediche. It certainly saved my life, as I never expected to recover when I first commenced using it. I am not exaggerating anything, but feel glad to be able to contribute this testimonial and trust it may be the means of convincing others of its merit as a certain cure for Dyspepsia.
