THE NORTH YORK CASE

Government May Appeal From De cision Unseating Hon. Ar. Davis.

Thirty-Ninth Annual Show of N. M. and E. W. A. S.

Cleveland, Ohio, Sept. 29. — A Detroit woman, who married "Count Otto von Mueller," has voluntarily given up the title of countess and its perquisites. She said that she no longer considered herself his wife.

"I am going to New York to accept an engagement on the stage," she said. Von Mueller, better known as Kohler, is charged with having two wives. One is a Cleveland woman, Both she and later on.

Cleveland, Ohio, Sept. 29. — A Detroit woman, is understood, the advisability of appealing the decision of the election court in the North York case, by which Hon. E. J. Davis was unseated for personally engaging W. J. Robinson. Who had been reported in North Grey. As it is the first time such a case has arisen, counsel are anxious for a ruling of the higher court on the subject. The Government is likely to direct the entry of an appeal, even if this is not pressed later on.

BRAINS TO LET

Students Accused of Taking Examinations for Others.

New York, Sept. 29.-A syndicate of bright young men who hire out their brains and education has been un earthed in this city, according to Boston, Mass., Sept. 29.-Joe Jefferson Charles F. Wheelock, chief examiner others. All a candidate for a regency need do, according to Mr. Wheelock, is to get one of the syndicate to represent the examination with flying colors and then collects. The rate is usually \$150,

accepted, and sometimes the fee is as high as \$300. Isidor Finkle and Louis H. Lobar. students in Columbia University, have been arrested at the instigation of Mr. Wheelock, charged with taking examinations for others. He says these are the first arrests ever made on such a charge. "We have been trying hard to break up this traffic," he said today, "but heretofore have let them go. Actress Out Shopping Didn't Wear This time we intend to push the cases as far as we can and make an example of these alleged offenders."

n a bitterly sarcastic editorial refers to the conference of the Institute of In-ternational Law, which closed at Edinburg yesterday, and to the proposal from the United States to reassemble the Hague Conference. The paper de-clares that international law is a polite myth, under cover of which the strongest nation takes what it wants without regard for its opponents' rights and feelings, and says there is not a tenet in the so-called code which has not been broken whenever it suited the conenience of some nation able to defy t. The only nations ever appealing to ton Parker, M. A., of Toronto, gave the international code, the editorial asan address in the town hall on "Fight- serts, are too weak to stand up for their demands, and they have always found that the law was administered by W. Martin and wife are holidaying the strong arm of the most powerful nation, always fixing the interpretation before the court.

Russian Paper Says It Has Becom

Nothing but Polite Myte.

St. Petersburg Sept. 29.—The Novosti

The Russ makes an intricate calculaion of Japan's fighting strength, from which it concludes that the Japanes have a reserve of 1,100,000 men upon which to draw to fill up their battalions it is estimated, in the field. It says the critics have been all along deceived both by the difference in the Japanese army on a war and on a peace footing, and by the statistics of the able-bodied nen fitted to respond to a call for military foe of over 1,000,000 strong when organizing her forces to meet the Japanese in the Far East.

WOMAN'S UNSELFISHNESS

Mrs. Craigie Says It Tends to Make Men Bachelors.

London, Sept. 27. - "The Growing Handicap of Marriage" is the theme of an interesting correspondence in the London press, started by Mr. Cloudesley Brereton, who declares the increasing extravagance and selfishness of wonen, acting as a powerful deterrent against matrimony, is the source of an enormous amount of unhappiness. Mrs. Graigie intrepidly takes up the rauntlet on behalf of her own sex. "Mr. Brereton," she writes, "should have plamed women's unselfishness. Where their feelings are in question they are not selfish enough. It is the suicidal inselfishness of woman which makes the selfishness of the modern bachelor possible. Bachelors are not all misogy nists, and the fact that a man re mains unmarried is no proof that he is nsensible to the charm of woman's to a most considerable degree.

companionship or does not have such companionship on irresponsible terms "Why should the average vain young man, egotistic by organism and education, make sacrifices for the sake of any particular woman while so many are too willing to share his life without joining it? Modern women give bache. tunity to need them; their devotion i undisciplined and becomes a curse rather than a blessing to its object. "It is quite true, also, that any young married man in quest of ornamental or picturesque appointments is discouraged by his superiors and boycotted by their wives; they are not content to remain with other young couples of their own status, and they confuse the yearnings of snobbery with honorable ambition. On the other hand, a large number of men and women are constitutionally unwilling to marry, not because they are selfish, vicious or inapable of affection or shirk responsibilities but because they lack overmastering impulse; they will not accept compromise. meet their loves too late, and their fate is tragic. All fates are not domestic

Sometimes they and if some find sorrow in marriage. others find it in singleness some not anywhere, and, isolated live serenely enough, contented with mild friend-
