It is located immediately to the left of the main entrance of the Machinery Hall. This exhibit gives a practical demonstration of the uses of a modern sanitary conveniences constructed particularly for families, who live in a dwelling where it is impossible to have waterworks or sewerage connections. The closet is perfectly sanitary and odorless, requires little attention, is made right, works right, and gives satisfaction at all times. It is beautifully constructed and can be placed in the bedroom. There is a strong guarantee with each closet, and they have been awarded a diploma and bronze nedal at the Winnipeg Industrial Exnibition. At this exhibit there is also shown a vault system of sanitary closets that can be used for hotels, schools or public buildings. The exhibit is well placed and attractive, and should be examined by every person. but more especially hotel proprietors, chool trustees and public officials of places that have no water and sewerage system.
