Pavements authorized last year, but which will hardly be gone on with dur-iring the present season are: Richmond street, vitrified brick, Bathurst to G. T. R. Rethurst street, 35th Regiment (Simcoe Foresters) asphaltic concrete, Wellington to Ridout streets,

Richmond street is being held up pending the double-tracking by the street calway of this section, while Waterloo and Bathurst streets depend on the roposed route of the London and Port Stanley radial line along this street. Bathurst street, between Talbot and Ridout, is being held up pending the quesion of he Ridout street subway. Ashpaltic concrete payements on Colborne and Maitland streets, between

Queen's avenue and King street, were authorized some years ago. Curbs were put in for this work last year, and it may be completed during the present season. This would increase the cost to about \$10,000.
