Posties Fell One Counter Short in Third Period Rush Against McClarys.

In the semi-finals of the second series in the Manufacturers' League Saturday inight the G. T. R. A. A. eliminated McCormicks in a weird game to the tune of 7—0, and McClarys put the Civil Service out in a hard-fought game by a score of 4—3. A large crowd of fans were on hand to witness the games, and although the first game was nothing to get enthusiastic about, a snappy brand of hockey was turned in in the second game. The Posties never got going until the second period, and from then on they peppered Reutter from all angles.

As a result of these games the final game of the second series will be played on Tuesday night between the McClary sextet and the G. T. R.'s, and the winner will play off with Perrins on Thursday and Sat.

In the game Granites won from Tigers there was no scoring for 43 minutes, when the Curlers drove in one and followed it up a minute later with another to make the final score 2 to 0. Tigers have improved fully fifty per cent since then, while Granites, through injuries to playproved fully fifty per cent since then, while Granites, through injuries to players and sickness, have just been able to hang on, their determination as much as anything else, carrying them through to this stage.
