

Good-Bye Hat!

BUT

if it happens to be a Buckley, he can get another without it costing him a cent.

You've seen "guarantees" before—but you never yet heard of a hat guarantee that guaranteed the owner even against accident.

Here's one that does—the sweeping Buckley guarantee—provides for such cases as that shown in the picture—provides for a new hat within 4 months from date of purchase, if, for any reason—accident or otherwise—your Buckley hat has not in every sense "stood the racket."

Read carefully the broad, all-embracing guarantee.

Why, you ask, should the guarantee be made so far-reaching?

Well, in the first place, the makers of the "Buckley" have absolute confidence in their product—they feel sure it will give satisfaction in 999 cases out of 1,000.

But there's always that thous-

andth man—even he must be satisfied.

And, in order that he may get a new Buckley hat from any Buckley dealer, without having to answer questions or give a lengthy explanation, it has been thought well to provide that, whatever his reason, if the Buckley he's been wearing has not lasted four months, it will be cheerfully, promptly, unquestioningly exchanged.

Don't let this remarkable guarantee feature of the Buckley overshadow the style pre-eminence of these hats. The quality is English, but the styles are American and up-to-the-minute. There's a Buckley shape to suit every type of man.

Buckley hats are made by Union workers—there's high grade material and honest workmanship in every hat that bears the Buckley name. Price, \$2.50, at all the best hat shops.

BUCKLEY HATS

GUARANTEE

The Color and Style of this hat are guaranteed, and any hat which will not give satisfaction, will be replaced or give one to which the owner will be satisfied. This guarantee applies to all styles of hats. Buckleys are made by Union workers in the U.S.A.

PEOPLE'S PASTIMES

With the mercury on the climb, and the ground drying like an old boot in an oven, local ball players should look to preparation for the practice that must come soon, providing present favorable conditions prevail. Other provincial towns are moving in this direction much faster than is imagined locally—it will not do to give them the bulge.

Al Shrub, the British crack long distance champion, and Fred Cameron the Boston Marathon champion of 1910, have been matched to run a special 12 mile race at the Boston Arena on next Saturday night. After much dickering over the distance of the race that both runners have been clamoring for, the men decided to test their mettle over the modified Marathon route.

Arthur Duffy in the Boston Post has this to say about the race: "Freddie Cameron, last year's B. A. A. Marathon winner, is taking a great chance in meeting Al Shrub in a special 12 mile race in Boston. According to Cameron's views, however Shrub cannot keep his running powers forever and is bound to get a licking sooner or later. The provincial champion claims he is in better form than ever and if he defeats the little Britisher he will claim the world's championship."

John Arthur Johnson, champion arrived home from the San Francisco jail in Chicago on Tuesday. He ate five meals a day on the diner and said he was fit. Jack drove out to his home. No, not in an automobile, but in a cab, behind a horse. It was believed best that this procedure be followed.

"I shall attend the coronation of King George V, in London," declared Johnson, and I probably shall remain on the other side for some time. After the coronation I expect to attend the horse show in Dublin, and then I shall go to Paris. My visit to Paris will combine work and pleasure. I may sign for several bouts there, Sam Langford. Well, we shall see. It has been my ambition to attend a coronation, and I am glad my affairs are in such shape as to allow me the liberty to do so.

In the fight line he wants to meet one man, and guess who it is—Philadelphia Jack O'Brien.

Before I leave the United States, I shall attempt to secure a match with Philadelphia Jack O'Brien. If we come to terms, however, it must be within three weeks, for I intend sailing soon.

LABOR MEN HELD ON GRAVE CHARGE

Chicago, April 25.—Mr. Clarence S. Darrow, who has been employed in the defence of many leaders in the past, and who recently was counsel for Haywood, Moyer, and Pettibone in connection with the Coeur D'Alene mine troubles in Idaho, has been retained as counsel for the alleged dynamite, McManis and the two McManaras, who, as a result of alleged confession of McManis implicating the McManaras, in the recent blowing up of the Times building in Los Angeles, were arrested, practically kidnapped by officials, in Indianapolis and taken to Los Angeles for trial.

Los Angeles, Cal., April 28.—John J. McManara, secretary and treasurer of the International Bridge and Structural Iron Workers Association, declares he is innocent, and asks the public to suspend judgment till the case is fairly tried.

J. M. Howell, a popular druggist of Greensburg, Ky., says, "We use Chamberlain's Cough Remedy in our own household and know it is excellent." For sale by all dealers.

AN ENVIABLE BIRTHRIGHT

One of the greatest boons that ever can come to a human being is to be born on a farm and reared in the country, says Orison Swett Marden in Success Magazine. Self-reliance and grit are oftenest country-bred. The country boy is constantly thrown upon his resources, forced to think for himself, and this calls out his ingenuity and inventiveness. He develops better all-round judgement and a more level head than the city boy. His muscles are harder, his flesh firmer, and his brain-fibre partakes of the same superior quality.

The very granite hills, the mountains, the valleys, the brooks, the miracle of the growing crops are every moment registering their mighty potencies in his constitution, putting iron into his blood, and stamina into his character, all of which will help to make him a giant when he comes to compete with the city-bred youth.

That Red Rose Tea is of surpassing quality is accepted everywhere it is used as an undisputed fact, but it is in the Maritime Provinces especially that it has by unvarying goodness so well earned the term "is good tea."
