"Can the little fellow walk?" he asked, with every appearance of interest. "Walk?" cried the mother indignantly. "Why, he's been walking for five months!" ## SUCCESS TALK

Do you know what a business education means? I'll tell you. It means economic freedom. The man or the woman dependent upon another for bread and clothes is a slave—a slave to incompetency, and that is the bitterest kind of serfdom. Graduates of the Success Business Colleges, absolutely without exception, have paying positions awaiting them. They do not have to advertise for a place—begg, borrow, steal or stand in the bread line. Write us.
