RT ROULLE PARK. SALE OF VILLA LOTS BY PUBLIC AUCTION. THIS VALUABLE PR

Is beautifully situated on the shore of Lake Ontario, overlooking and immediately adjoining the Exhibition Grounds, which are now open to the citizens of Toronto as a Públic Park.

Main drains have been laid down on Iroquois, Fort Rouille and Dufferin streets, streets graded, sidewalks being laid down and tree planting arranged for by the Corporation of Parkdale.

Owing to its exceptionally favorable situation, and to the fact that only a good class of buildings are to be erected, and having advantages possessed by no other property in the City of Toronto, it must shortly be covered with handsome residences, and become of great value.

Easy access to the City by railway or street cars.

TERMS LIBERAL-Special advantages to parties building at once. Deposit of \$25 to be made on each lot at time of sale.

For further particulars apply to the undersigned, George Musson, Esq., 50 Front street, Henry O'Brien, Esq., 68 Church street, Toronto, or to Edward Hickson, Esq., corner of Jameson avenue and King street, Parkdale.

Lots on above property will be sold on THE GROUNDS on

SATURDAY, OCTOBER 3RD, AT 2.30.

Suburban train, stopping at the grounds, leaves Union Station at 2 o'clock p.m.

Persons wishing to attend sale can obtain free tickets from the Auctioneers,

Thrilling Experience of J. E. Fiint, P.M.

A party of gentlemen from this city who went to Hay bay on a fishing excursion in the steam yaoth Annie Gilbert in search of big fish, returned home Friday night. They give a thrilling account of the experience of Mr. J. J. B. Flint, P.M., who became fast to a fish of great size. Being alone in a small boat the task of attempting to land him was very hazadous. After considerable play he was landed in the boat and his captor threw himself the boat and his captor threw himself than Mr. Flint had one arm deep in the water and could not drag the fish into the boat, dragging hr. Flint partially in the water. The boat was rapidly filling, and Mr. Flint hoot was rapidly filling, and Mr. Flint hoot was repridly filling, and Mr. Flint hoot was period with exception of the water and could not drag the fish escaped with exception of the water and could not drag the fish escaped with exception of the water and could not drag the fish escaped with exception of the water and could not drag the fish escaped with exception of the water and could not drag
